

WOLF PARK'S 2018 Corporate Donor Opportunities

ABOUT WOLF PARK, INC

Wolf Park is a 501(c)(3) not-for-profit organization founded in 1972. We are dedicated to behavioral research, education and conservation, with the objective of improving the public's understanding of wolves and the value they provide to our environment. Our wolves, bison, coyotes and foxes serve as ambassadors for their wild relatives, helping us educate the public about the need for conservation, the role of predators, and why wolves and other wildlife are essential for a healthy ecosystem.

HOW YOUR SPONSORSHIP WILL HELP

Each year we educate an average of 19,000 guests from all over the world through guided tours, educational programs, kids camps, seminars, and howl nights. Over the past few years we have also converted farmland into a Bat and Quail Habitat, installed an educational research lab to observe fox behavior, and introduced new animal ambassadors to our family. Through each of these mediums we strive to meet our mission of improving the public's understanding about North American canines and the value they provide to our environment.

Your support will assist in these endeavors and allow us to do even more! Wolf Park receives no direct state or federal funding. We rely on individuals and companies to help us maintain our facility and meet our mission, and we try to give back whenever possible.

CORPORATE SPONSORSHIP BENEFITS

Each visitor who comes through our door is also visiting Tippecanoe County and the Greater Lafayette Area—our staff and volunteers love sharing our favorite places to visit with people who are stopping by for the first, second, or even third time. We would love to make your corporation one of the first we 'talk-up' and recommend. Here are some other benefits for sponsors:

- ❖ Corporate Howl Night—A special Howl Night event held for you, your employees and their families. Come join us for an evening of howling fun, campfires, and other special surprises not usually enjoyed at our typical Howl Night Events. ***The 2018 Corporate Howl Nights are April 27th and August 30th!***
- ❖ Each sponsorship opportunity is accompanied with its own benefits (i.e., advertising space)!
- ❖ Each dollar of your donation may be tax deductible as allowed by the IRS.
- ❖ A year's subscription to *Wolf Park News*, our publication featuring animal ambassador updates, current wildlife updates, park current events, and other news!
